

EarlyBird Programme for Denbighshire Families: Coffee morning and course details

STAND North Wales CIC are hosting an EarlyBird programme for families in Denbighshire supporting children that have received a diagnosis of an autism spectrum disorder and are aged under five years old.

The programme aims to support parents in the period between diagnosis and school placement, empowering and helping them facilitate their child's social communication and behaviour in their natural environment. It also helps parents to establish good practice in supporting their child at an early age.

STAND North Wales CIC are hosting a coffee morning for parents interested in attending the programme
